Experience

2023 – Present

Safedot E Solution Pvt. Ltd. | Panchkula, Haryana

Web Developer & UI Designer

- **Government Portals:** Designed and launched major websites for CEI Department, HSBTE, Haryana State Council for Physiotherapy, Haryana Nurses And Nurse-Midwives Council, Red Cross Haryana and Red Cross Uttarakhand and Punjab Police.
- **Dashboard Design:** Created a full CMS dashboard for the CEI Department, HSBTE, Haryana State Council for Physiotherapy, Haryana Nurses And Nurse-Midwives Council, Red Cross Haryana and Red Cross Uttarakhand including an automated system to design and issue digital certificates.
- **WordPress & E-commerce:** As a Certified WordPress Developer (Udemy), I have designed and developed live, high-performance websites for the Official Bal Bhawan Panchkula, various travel agencies, and my own e-commerce venture, Superleaf Co. Using Elementor and WooCommerce, I personally managed the end-to-end development and deployment of these platforms, all of which are currently live, fully functional, and optimized for business growth.
- **Payment Integration:** Successfully integrated secure payment gateways for online shopping websites.
- **Team Leadership:** Managed and guided junior interns to ensure all projects met high-quality standards.

Technical Skills

- **Web Basics:** HTML5, CSS3, JavaScript, and Bootstrap for mobile-friendly designs.
- **Design Tools:** Canva and Adobe Photoshop for creating professional logos, banners, and social media posts.
- **WordPress Mastery:** Advanced skills in Elementor, Gutenberg, and Shopify.
- **Digital Creative:** Expert in photo and video editing for brands like "The Turbaned Riders".
- **Business Tools:** Skilled in MS Office (Word, Excel, PowerPoint) for reports and documentation.
